

Dear Ms. Henryette Neal,

Thank you for teaching my daughters. Your class has helped me teach the girls that it is important to have good manners. They do remember your class. When some one is acting up they say, "That is not what we learned in Etiquette class." Your class has been a good influence to them. They cherish and remember the moments they had in your class. Thank you for everything!

Enjoy the pictures.
You look great.

Sincerely,

Ana, Abigail & Isabella Deza
